Our journey starts out on the highway, but soon we head off on the coastal road, Clarence drive. Considered as one of the most scenic routes to travel in South Africa. With the towering Hottentots Holland mountain range on our left and False Bay on our right, we will pass historic little settlements / towns such as Gordon's Bay, Rooiels, Pringle Bay, Betty's Bay, Kleinmond & finally Hermanus.

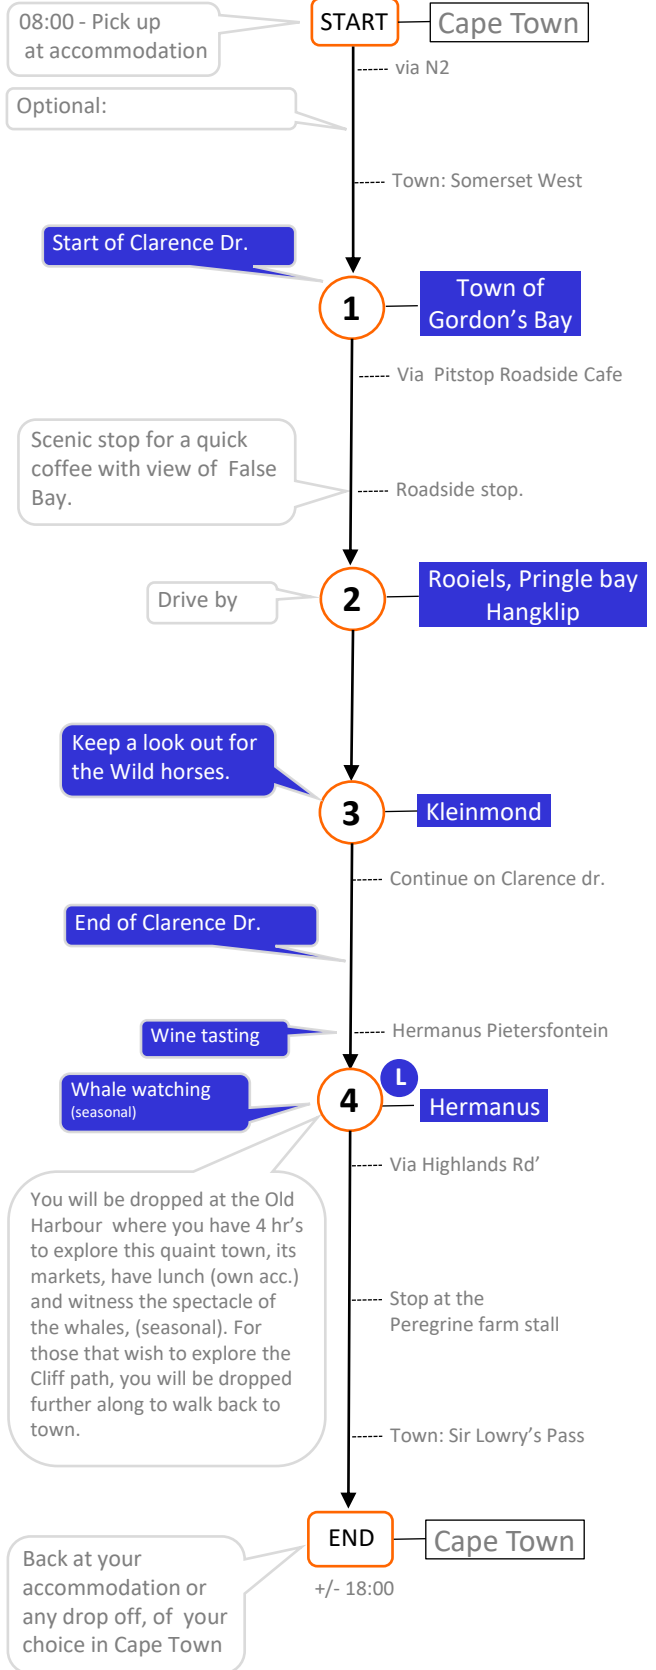

This town best known for its location as the best land-based whale watching in the world. Other than its magnificent scenery, farmers markets, relaxed lifestyle, the area offers some superb wines to be tasted.

Our journey back will lead us through and over the Hottentots Holland mountain range with spectacular views of the Elgin valley, travelling through predominantly apple orchard upon apple orchard. False bay once again opens up beneath us as we drop down the historic Sir Lowry's pass.
